### **FIRSTENERGY SOLUTIONS LAUNCHES NEW WEB SITE**

Akron, Ohio – FirstEnergy Solutions Corp., an unregulated subsidiary of FirstEnergy Corp. (NYSE: FE), has redesigned its Web site – *www.fes.com* – to help users stay informed about energy issues that may affect their business.

The comprehensive redesign, which features a new user-friendly interface, added more than one hundred pages of content, including information on residential energy efficiency, green power, an extensive energy glossary, and industry white papers on a variety of energy-related topics. In addition, a special section highlights current promotions being offered by FirstEnergy Solutions.

FirstEnergy Solutions provides competitive electricity and other energy-related products and services, and is a licensed supplier in parts of the Northeast, Mid-Atlantic and Midwest. Customers can contact FirstEnergy Solutions at 1-800-977-0500, or at *www.fes.com*.

FirstEnergy is a diversified energy company headquartered in Akron, Ohio. Its subsidiaries and affiliates are involved in the generation, transmission and distribution of electricity, as well as energy management and other energy-related services. Its seven electric utility operating companies comprise the nation's fifth largest investor-owned electric system based on serving 4.5 million customers in Ohio, Pennsylvania and New Jersey; and its generation subsidiaries control more than 14,000 megawatts of capacity.
